New portable

On Tuesday we received a brand new portable classroom to cater for our growing school in 2018. Next year we will likely increase by one grade from 33 to 34 grades and we needed a new building to cater for this. The building was transported and lifted in five pieces which were bolted together and over the next few weeks all of the services and surrounding works will occur in readiness for the school to access the space in early Term 4.

IT professional learning

On Tuesday night we hosted teachers from local SaGE Network schools for professional learning on the use of IT in the classroom and in particular all of the DET resources that are available through the DET FUSE portal. Teachers came away with some great new IT tools and interactive resources that they will be utilising in the classroom in the coming weeks.

New Tree

Last week we planted a new peppercorn tree in the central courtyard next to the basketball courts. We chose an advanced tree so we can all enjoy a little bit of shade in the coming months.

This is what we hope the tree will look like in 5 years.

SPORTING NEWS

Beachside Division Athletics

was held at Albert Park on Friday 8th September.

18 Coatesville students from Grades 4-6 competed in 27 events.

A big congratulations to all the students that represented the school.

A special mention to Hamish (2nd 800m/1500m), Jackson (1st Shotput), Lexie (1st High Jump/Long Jump), Sam (1st High Jump) and the boys 4 x 100m relay team (Finn, Sam, Dane, Curtis) who finished second overall.

Good luck at the regional event in October.

Congratulations
